

What is a Compact?

A Family-School Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all students get the support they need to reach and exceed grade level standards.

Be a Sunset Elementary CHAMPion

C = Be COURTEOUS
H = HAVE a friend be friend
A = ALWAYS be safe and responsible
M = Show MUTUAL RESPECT
P = Have PERSEVERANCE in
all you do

Jointly Developed

The parents and staff of Sunset Elementary developed this Family-School Compact for Achievement. Parents assisted with the suggestions for home activities to support learning. School-wide meetings are held each year to review the Compact.

Parents are welcome to contribute
comments at any time.

For more information on the Compact please
contact the team leader,

Scotti Wilson (405) 726-3834

MARCH 12TH 3RD-5TH GRADE PARENT TESTING ORIENTATION 6:00 PM
MAY 5TH CINCO DE MAYO FAMILY PICNIC

COMMUNICATION ABOUT STUDENT LEARNING

Sunset is committed to communicating regularly with families about children's learning. Some of the methods you can expect us to communicate with are:

- **Weekly Thursday folders**
- **Parent-teacher conferences**
- **Sign up for district phone messaging**
- **Our website: sunset.edmondschools.net**
- **Facebook page: [Sunset Elementary Edmond Public Schools](#)**

Two-Way Communication

Sunset Elementary School believes that communication between home and school is an important tool to help students remain successful as they become independent learners. Listed above are a few of the ways communication remains open at Sunset:

Do you have questions about your child's progress?

If you are concerned about your child's progress in either reading or math, please feel free to contact our Title I teachers. We can answer questions you may have about your child's struggles and provide additional strategies to support them in school. Also, please view our Literacy and Math Skill Building tab on the Sunset website for online resources.

Reading: Becca Miller, Reading Specialist —
Rebecca.miller@edmondschools.net or 726-3843

OR Scotti Wilson, Instructional Coach —
scotti.wilson@edmondschools.net or 726-3834

STEM: Tim Moriarty, Title I Math Teacher —
timothy.moriarty@edmondschools.net or 726-3859

Teachers, Parents, Students - Together for Success

Our Goals for Student Achievement

Sunset School Vision:

Ensuring High Levels of Learning for ALL Students

Sunset School Mission:

ALL students, in every classroom, will learn a guaranteed curriculum at high levels

Sunset School Goals:

Safety and Civility

1. Ensure a physically and emotionally safe environment for students and staff

Productivity

1. Raise ALL students' achievement in reading, writing, and math
2. Create opportunities for ALL students to participate

When teachers, students, and families work together, we CAN achieve our goals!

At Home

Below are some ideas some of our parents and teachers came up with to help your child be successful. If you think of others, please share them with us so we can share them with others!

Reading & Writing

Ways to help your child with High Frequency Words and Word Families:

Practice sight words through sight word games, such as Sight Word Bingo, BANG, and Sight Word Matching.

Ways to help your child with writing:

Have your child practice retelling stories in their own words. Then use those same words to write a paragraph about the story they just read. It's also fun to practice writing by writing a paragraph about an experience you had as a family. Write about a trip to the store, a holiday spent with family, or about a trip to the park.

Math

Ways to help your child with addition and subtraction:

Using a deck of cards, have your child turn over two cards and find the difference between the two numbers.

Ways to help your child with coins:

Save loose change in a jar. Use the coins to practice value of the coins and try combining some of the coins to add up to \$1.

Take coins to the store and see if they can add up how much money they might need to buy a sucker or piece of bubble gum! Let them be the one to pay the cashier with their coins.

In the 2nd Grade Classroom

The Second Grade team will work with students and their families to develop students' reading and math skills. Some of our key connections with families will be:

- Provide parents with addition flash cards and a listed of suggested books for reading.
- Offer a Literacy Night to focus on beginning reading skills.
- Our monthly newsletter, Parents Make a Difference, will feature activities families can play to review skills we have introduced in the classroom.
- Our class web page has links to family friendly web sites for improving essential skills.

Student Commitments

I will:

Read 20 minutes every night!!!	Practice my High Frequency Word lists.
Practice addition and subtraction facts.	Practice writing complete paragraphs with 5 sentences.
