

What is a Compact?

A Family-School Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all students get the support they need to reach and exceed grade level standards.

Be a Sunset Elementary CHAMPion

C = Be COURTEOUS
H = HAVE a friend be friend
A = ALWAYS be safe and responsible
M = Show MUTUAL RESPECT
P = Have PERSEVERANCE in all you do

Jointly Developed

The parents and staff of Sunset Elementary developed this Family-School Compact for Achievement. Parents assisted with the suggestions for home activities to support learning. School-wide meetings are held each year to review the Compact.

Parents are welcome to contribute comments at any time.

For more information on the Compact please contact the team leader,

Scotti Wilson (405) 726-3834

MARCH 12TH 3RD-5TH GRADE PARENT TESTING ORIENTATION 6:00 PM
MAY 5TH CINCO DE MAYO FAMILY PICNIC

COMMUNICATION ABOUT STUDENT LEARNING

Sunset is committed to communicating regularly with families about children's learning. Some of the methods you can expect us to communicate with are:

- **Weekly Thursday folders**
- **Parent-teacher conferences**
- **Sign up for district phone messaging**
- **Our website: sunset.edmondschools.net**
- **Facebook page: [Sunset Elementary Edmond Public Schools](https://www.facebook.com/SunsetElementaryEdmondPublicSchools)**

Two-Way Communication

Sunset Elementary School believes that communication between home and school is an important tool to help students remain successful as they become independent learners. Listed above are a few of the ways communication remains open at Sunset:

Do you have questions about your child's progress?

If you are concerned about your child's progress in either reading or math, please feel free to contact our Title I teachers. We can answer questions you may have about your child's struggles and provide additional strategies to support them in school. Also, please view our Literacy and Math Skill Building tab on the Sunset website for online resources.

Teachers, Parents, Students - Together for Success

Our Goals for Student Achievement

Sunset School Vision:

Ensuring High Levels of Learning for ALL Students

Sunset School Mission:

ALL students, in every classroom, will learn a guaranteed curriculum at high levels

Sunset School Goals:

Safety and Civility

1. Ensure a physically and emotionally safe environment for students and staff

Productivity

1. Raise ALL students' achievement in reading, writing, and math
2. Create opportunities for ALL students to participate

When teachers, students, and families work together, we CAN achieve our goals!

At Home

Below are some ideas some of our parents and teachers came up with to help your child be successful. If you think of others, please share them with us so we can share them with others!

Reading & Writing

Ways to help your child with letter names and sounds:

Help your child identify letters in their environment. Help your child identify the sound that letter makes. Help your child draw pictures and label the pictures with words and eventually sentences. Help your child work towards writing two complete sentences with appropriate spacing between letters and words.

Ways to help your child with Phonemic Awareness:

Parents will help students identify sounds at the beginning of the word. For example, "what sound do you hear at the beginning of the word *book*" – student replies with the sound "/b/".

Math

Ways to help your child with number recognition:

Help your child identify numbers in their environment. Everywhere you go... in the grocery store, driving down the road, talk about the numbers you see.

Ways to help your child with Ordering and Sequencing:

1) Help your child use their decks of cards to find cards of the same value and then order the cards in number order. 2) Turn over two cards and pick which one is largest, then repeat and pick the one that is smallest. 3) Identify/locate numbers everywhere!

In the Kindergarten Classroom

The Kindergarten team will work with students and their families to develop students' reading and math skills. Some of our key connections with families will be:

- Provide parents with a home learning kit full of engaging materials including a deck of cards to use for math activities and a list of suggested books to be checked out from the library.
- Offer a Literacy Night to focus on beginning reading skills.
- Our monthly newsletter, Parents Make a Difference, will feature activities families can play to review skills we have introduced in the classroom.

Student Commitments

I will:

Read 20 minutes every night!!!	Practice my Sight Words.
Practice counting by 1's, and 10's to 100.	Draw and label pictures correctly. I will work on writing 2 complete sentences.
